PRINTING/FRAMING REQUIREMENTS & OPTIONS – DETAILS

- All accepted images submitted for exhibition must be printed and framed either professionally or in a professional manner. Simple dark framing with white or off-white matting is recommended. Artists doing their own printing and framing must submit work ready to hang. Maximum frame dimension is 40 inches on any side and maximum weight is 12 pounds. NVAL hangs with cable hooks, so please use only frame hangers, D-rings or split rings for your hanging hardware.
- If the framed print does not substantially meet the appearance of the JPEG entry, or if the print quality, matting or framing are not suitable quality for gallery presentation, the NVAL may ask the artist to replace whichever element is not suitable. If the artist is unwilling to meet these standards, the NVAL reserves the right to replace the entry with another work selected by the juror.
